Experience Tanzania during the Great Migration

Enjoy game drives in custom, comfortable 4x4 Land Cruisers with guaranteed window seating and full rack access, perfect for safe, up-close viewing of endangered species. Stand on the edge of discovery at Olduvai Gorge, where Louis and Mary Leakey uncovered one of our earliest ancestors, and spend a full day at wildlife-rich Ngorongoro Crater—one of the likely places to spot the rare black rhino. Discover local people and cultures with unique villages and school visits to Mte We Nbe and fishing village on the shores of Lake Victoria.

Safari Highlights

With unparalleled access to Tanzania’s national parks, the guidance of an expert Orbridge Expedition Leader, and luxurious accommodations, this signature journey provides a once-in-a-lifetime opportunity to witness the amazing array of wildlife in East Africa.

Savor the suspense as you scan the terrain, following the signals of your guide and remembering not to hold your breath: there, it is possible to let the call of the wild lure you to east Africa’s premier game-viewing reserves. Dear Fellow Traveler,

Traveling the corners of the globe is an excellent way to learn and appreciate all our world has to offer. The annual migration of thousands of grazing herds across the Serengeti Plane is one of the greatest spectacles of the natural world and a highlight of this safari. Trekking with expert naturalists in 4x4 Land Cruisers, you will experience moments in the lives of ring-tailed lemurs, the breathtaking terrain of East Africa, and the tapestry of local culture—all while staying in the comfort of deluxe lodges and tented camps.
